AMNA SOHAIB

Front-end Developer

OVERVIEW

As a front-end web developer, I have made meaningful contributions to various projects where I've been able to showcase my coding capabilities. Throughout my internships, I've gained valuable experience building mobile-responsive websites and implementing engaging 3D animations. I enjoy working with modern frontend technologies and take pride in creating interactive user experiences that are both visually appealing and highly responsive across all devices.

EDUCATION

COMSATS University Islamabad

Bachelor's Degree in Computer Science
Sept 2021 – July 2025
CGPA: 3.48
